Introduced By *****

By Request of the *****

A Bill for an Act entitled: "An Act generally revising 9-1-1 laws; establishing a 9-1-1 advisory council; establishing 9-1-1 advisory council and department of administration duties for 9-1-1 systems and services; granting the department rulemaking authority; clarifying local government and 9-1-1 district roles; providing definitions; updating terms to include next generation 9-1-1; revising the allocation of 9-1-1 fees; establishing accounts for 9-1-1 distributions; requiring that certain fees collected for 9-1-1 services be reallocated under certain circumstances; establishing a reallocation process; establishing a next generation 9-1-1 infrastructure account; creating a next generation 9-1-1 infrastructure grant program; providing criteria to the department of administration for awarding next generation 9-1-1 infrastructure grants; establishing a GIS mapping account; requiring the state library to award a contract for a 9-1-1 GIS assessment; establishing a statewide 9-1-1 planning account; requiring the department to award a contract to develop a statewide 9-1-1 plan; amending sections 10-4-101, 10-4-103, 10-4-201, and 17-7-502, MCA; repealing sections 10-4-102, 10-4-104, 10-4-111, 10-4-112, 10-4-113, 10-4-114, 10-4-115, 10-4-121, 10-4-125, 10-4-126, 10-4-301, 10-4-302, 10-4-303, 10-4-311, 10-4-312, and 10-4-313, MCA; and providing an effective date."

Be it enacted by the Legislature of the State of Montana:

NEW SECTION. **Section 1. 9-1-1 advisory council.** (1) There is a 9-1-1 advisory council.

(2) The council is composed of not less than 17 members appointed by the governor. The members are:

(a) the director of the department of administration provided for in 2-15-1001, or the director's designee who serves as presiding officer of the council;

(b) a representative of the department of justice, Montana highway patrol;

(c) a representative of the Montana emergency medical association;

(d) 3 representatives of Montana telephone companies;

(e) a representative of the Montana association of public safety communications officials;

(f) 2 public safety answering point managers: with one serving a population less than 30,000 and one serving a population greater than 30,000;

(g) a representative of the department of military affairs, disaster and emergency services;

(h) a representative of the Montana association of chiefs of police;

(i) a representative of the Montana sheriffs and peace officers association;

(j) a representative of the Montana fire chiefs association;

(k) a representative of the Montana state volunteer firefighters association;

(l) a representative of the Montana association of counties;

(m) a representative of the Montana league of cities and towns; and

(n) the state librarian or the state librarian's designee.

(3) Members shall serve staggered 3-year terms and must be appointed so that no more than three appointments expire in any 1 year.

(4) The council is attached to the department for administrative purposes only, as provided in 2-15-121.

(5) The council shall, within its authorized budget, hold quarterly meetings.

(6) Council members shall serve without additional salary but are entitled to reimbursement for travel expenses incurred while engaged in council activities as provided for in 2-18-501 through 2-18-503.

NEW SECTION. Section 2. 9-1-1 advisory council duties -- consultation by department. The council shall:

(1) advise the department in its duty to allocate and distribute 9-1-1 fees in accordance with [section 7];

(2) provide recommendations to the department in determining grants awarded in accordance with [section 8];

(3) advise the department in the development of a statewide 9-1-1 plan; and

(4) advise the department on significant matters concerning 9-1-1 systems development and 9-1-1 services in the state of Montana.

NEW SECTION. Section 3. Department of administration duties and powers -- 9-1-1 planning. (1) There is a 9-1-1 program administered by the department.

(2) The department shall:

(a) allocate and distribute 9-1-1 fees to counties in accordance with [sections 7];

(b) provide grants in accordance with [section 8] to local governments. In awarding the grants the department shall review and approve requests for funding in accordance with [section 8];

(c) monitor the expenditure of program funds for:

(i) 9-1-1 purposes by counties; and

(ii) allowable uses of grant funds by local governments.

(d) establish a statewide 9-1-1 plan. The plan should include 9-1-1 system standards and support efforts to maintain legacy technologies and, when appropriate, provide for the implementation of next generation 9-1-1 technologies. Any standards adopted by the department for legacy 9-1-1 technologies or principles adopted for baseline next generation 9-1-1 technologies must be:

(i) flexible and graduated, while ensuring minimum service levels; and

(ii) based on industry standards;

(e) staff and fund the administrative costs of the 9-1-1 advisory council provided for in [section 1]; and

(f) accept federal funds granted by congress or by executive order and gifts, grants, and donations for the purposes of administering this chapter.

(3) The department, in fulfilling its duties pursuant to subsection (2), may request necessary information from local governments. If a local government does not comply with the request, the department may withhold funding distributions as provided for in [section 5].

NEW SECTION. Section 4. Rulemaking authority. (1) Before June 30, 2018, the department shall adopt rules to implement the provisions of this chapter. The rules shall include:

(a) allocation and distribution procedures for funding authorized in [section 7];

(b) procedures for grant funding authorized in [section 8].

The rules for grant funding must include, but are not limited to:

(i) eligibility requirements for entities applying for grants;

(ii) criteria for awarding grants; and

(iii) reporting procedures for grant recipients; and

(c) post-disbursement activities by the department to monitor the use of funding by local governments including:

(i) reporting requirements; and

(ii) procedures for repayment of funds expended on activities determined not to meet eligibility requirements.

(2) Before December 31, 2018, the department shall adopt rules including:

(a) technology standards, based on industry standards and a statewide 9-1-1 plan pursuant to [section 12], to ensure public safety answering points meet minimum 9-1-1 services levels; and

(b) baseline next generation 9-1-1 principles to facilitate the appropriate deployment of baseline next generation 9-1-1.

NEW SECTION. Section 5. Local government entities and counties funding-- department delegation. (1) If the department through its monitoring process determines that a local government is not using funds in the manner prescribed in this chapter, or has failed to provide information required by the department, the department may, after notice and hearing, suspend payment to the local government. The local government is not eligible to receive funds until the department determines that the local government is complying with department requirements or has provided the requested information.

(2) After the department determines baseline next generation 9-1-1 principles in accordance with rules adopted pursuant to [section 4(2)] and a statewide 9-1-1 plan, the department shall delegate implementation to the local governments that host public safety answering points.

(3) Nothing in this chapter prevents a local government entity from exceeding legacy technology standards or baseline next generation 9-1-1 principles.

NEW SECTION. **Section 6. Establishment of 9-1-1 accounts.**

(1) There is established in the state special revenue fund in the state treasury an account for fees collected for 9-1-1 services pursuant to 10-4-201.

(2) Funds in the account are statutorily appropriated to the department, as provided in 17-7-502. Except as provided in subsection (3), beginning July 1, 2017, funds that are not used for the administration of this chapter by the department are allocated as follows:

(a) 75% of the account must be deposited in an account for distribution to counties in accordance with [section 7]; and

(b) 25% of the account must be deposited in an account for distribution in the form of grants to local governments in accordance with [section 8].

(3) (a) On July 1, 2017, prior to allocating money in the account to local governments in accordance with subsection (2) (b) the department shall transfer:

(i) \$5 million into the next generation 9-1-1 infrastructure account established in accordance with [section 9];

(ii) \$80,000 into the 9-1-1 GIS-mapping account established in accordance with [section 11]; and

(iii) \$350,000 into the statewide 9-1-1 planning account established in accordance with [section 12].

(b) The allocations in subsection (3) (a) may only be used in accordance with [section 9 through 12].

(4) All money received by the department of revenue pursuant to 10-4-201 must be paid to the state treasurer for deposit in the appropriate account.

(5) The accounts established in subsections (1) and (2) retain interest earned from the investment of money in the accounts.

NEW SECTION. Section 7. Distribution of 9-1-1 systems account by department. (1) For the third quarter of 2017 and for each quarter after that, the department shall make quarterly distributions of the account established for counties pursuant to [section 6(2)(a)], and each county shall receive an allocation of the total quarterly balance of the account.

(2) The department shall allocate the total quarterly balance of the account provided for in [section 6(2)(a)] as follows:

(a) an amount equal to 1% of the total quarterly balance of the account to each county; and

(b) the remainder allocated on a per capita basis to each county.

(3) If a county receives a distribution in accordance with this section but does not host a public safety answering point, the county, within 30 days, must transfer the money to the local government entity that hosts the public safety answering point used by the county for the administration of 9-1-1 systems. The transfer must be incorporated into an existing interlocal

agreement or part of a separate interlocal agreement between local governments that utilize a public safety answering point.

(4) If the department through its monitoring process determines that a county or local government is not using funds for the administration of 9-1-1 systems, the department may suspend quarterly distributions to the county. The county is not eligible to receive funds until the department determines that the county is complying with department rules.

NEW SECTION. **Section 8. 9-1-1 grants.** (1) The department shall, in consultation with the advisory council created pursuant to [section 1], award competitive grants annually using the account established for local governments pursuant to [section 6(2)(b)]. Beginning July 1, 2018, grants must be awarded to local governments in accordance with this section and rules adopted by the department in accordance with [section 4].

(2) Grants may be awarded to local governments for:

(a) emergency telecommunications systems plans;

(b) project feasibility studies or project plans;

(c) the purchase of 9-1-1 systems, equipment, devices and data; and

(d) the purchase of services that support 9-1-1 systems.

(3) Nothing in this section prevents a local government from providing grant money awarded to the local government in accordance to this section to a provider or a wireless provider for 9-1-1 systems.

NEW SECTION. **Section 9. Next generation 9-1-1**

infrastructure fund created -- source of funding -- use of fund.

(1) There is an account in the state special revenue fund established by 17-2-102 to be known as the next generation 9-1-1 infrastructure fund.

(2) There must be deposited in the account:

(a) money received from legislative allocations;

(b) a transfer of money in accordance with [section 6(3)(a)(i)] for the purposes of [section 10]; and

(c) a gift, donation, grant, legacy, bequest, or devise made for the purposes of [section 10].

(3) Except as provided in subsection (4), the fund may be used only by the department to provide grants for next generation 9-1-1 infrastructure as provided in [section 10] to a local government working with a private telecommunications provider as defined in 10-4-101.

(5) At the end of fiscal year 2019, any unexpended balance in the fund shall revert to the account established by the department in accordance with [section 6(2)(b)].

NEW SECTION. **Section 10. Next generation 9-1-1**

infrastructure grants -- criteria -- rulemaking.(1) Money deposited in the next-generation 9-1-1 infrastructure grant account established in [section 9] may be expended by the department through grants to local governments working with private telecommunications providers for next generation 9-1-1

infrastructure. Grants should be awarded beginning January 1, 2018.

(2) For the purposes of [section 9] and this section:

(a) "ESInet" means an emergency services IP network. It includes the IP infrastructure upon which independent application platforms and core functional processes are deployed.

(b) "IP" means internet protocol or the method by which data are sent on the internet or a communications protocol for computers connected to a network, especially the internet.

(c) "Next generation 9-1-1 infrastructure" means a statewide ESInet, upgrades and replacement of existing selective routers with IP routers, and upgrades to all non IP-capable public safety answering points as defined in 10-4-101 for IP capability.

(3) In making grant awards under this section, the department shall give preference to local governments working with providers that the local government determines can most effectively implement infrastructure improvements on the ground.

(4) The department shall consult with and consider recommendations by the advisory council established in accordance with [section 1] for awards made under this section.

(5) The department may adopt rules to administer the provisions of [section 9] and this section. The rules must ensure that all providers are treated equitably and must include, but are not limited to, provisions regarding:

(a) applications;

(b) timelines;

(c) eligibility, including proof of eligibility;

(d) the procedure for establishing the priority of grant awards;

(e) the appeal process for grant applications that are denied; and

(f) disbursement of grant money to local governments.

(7) Before September 1, 2018, the department shall produce a report summarizing the grants provided, how the grant money was spent, and the program data and information reported by grant recipients. The department shall provide the report to the energy and telecommunications interim committee provided for in 5-5-230.

NEW SECTION. Section 11. 9-1-1 GIS mapping fund created -- source of funding -- use of fund. (1) There is an account in the state special revenue fund established by 17-2-102 to be known as the 9-1-1 GIS mapping fund.

(2) There must be deposited in the account:

(a) money received from legislative allocations;

(b) a transfer of money by the department in accordance with [section 6(3)(a)(ii) for use in accordance with subsection (3); and

(c) a gift, donation, grant, legacy, bequest, or devise made for the purposes of subsection (3).

(3) The fund may be used only by the state library provided for in 22-1-102 in carrying out its land information and management duties to award a contract in accordance with 18-1-102 to assess the status of GIS adoption and operations in Montana.

(4) Before September 1, 2018, the state library shall produce a report summarizing the status of GIS adoption and operations in Montana, including policy and funding recommendations necessary to use GIS to advance next generation 9-1-1. The state library shall provide the report to the energy and telecommunications interim committee provided for in 5-5-230.

(5) At the end of fiscal year 2019, any unexpended balance in the fund shall revert to the account established by the department in accordance with [section 6(2)(b)].

NEW SECTION. Section 12. Statewide 9-1-1 planning fund created -- source of funding -- use of fund.(1) There is an account in the state special revenue fund established by 17-2-102 to be known as the statewide 9-1-1 planning fund.

(2) There must be deposited in the account:

(a) money received from legislative allocations;

(b) a transfer of money in accordance with [section 6(3)(a)(iii)] for use in accordance with subsections (3) through (5); and

(c) a gift, donation, grant, legacy, bequest, or devise made for the purposes of subsections (3) through (5).

(3) The fund may be used only by the department to award a contract in accordance with 18-1-102 and after consulting with the 9-1-1 advisory council created in accordance with [section 1] to develop a statewide 9-1-1 plan.

(4) A statewide 9-1-1 plan must include proposed:

(a) priorities for 9-1-1 systems in Montana and plans for next generation 9-1-1 technology;

(b) potential formulas and methods to distribute 9-1-1 money;

(c) uniform standards relating to technology, next generation 9-1-1 technology, and administration and operation of 9-1-1 systems in Montana;

(d) steps to promote cooperation among local governments and public safety answering points to develop interconnectivity of 9-1-1 systems through enhancement, operation, and maintenance of the network;

(e) eligible uses for money received by local governments in accordance with this chapter;

(f) audits or other steps necessary to ensure program compliance from entities receiving disbursements in accordance with this chapter; and

(g) additional changes needed to this chapter to preserve legacy 9-1-1 systems and to accommodate evolving, future 9-1-1 technologies.

(5) Before September 1, 2018, the 9-1-1 advisory council shall review the proposals and make its recommendations to the department on implementing the recommendations.

(6) At the end of fiscal year 2019, any unexpended balance shall revert to the account established by the department in accordance with [section 6(1)].

Section 13. Section 10-4-101, MCA, is amended to read:

"10-4-101. Definitions. As used in this chapter, unless the context requires otherwise, the following definitions apply:

~~(1) "Allowable costs" means the actual costs associated with upgrading, purchasing, programming, installing, testing, operating, and maintaining data, hardware, and software necessary to comply with federal communications commission orders for the delivery of 9 1 1 calls and data as set forth in 47 CFR 20.18.~~

~~(2) "Basic 9 1 1 account" means the 9 1 1 emergency telecommunications account established in 10 4 301(1)(a).~~

~~(3) "Basic 9 1 1 service" means a telephone service meeting the standards established in 10 4 103 that automatically connects a person dialing the digits 9 1 1 to an established public safety answering point.~~

~~(4) "Basic 9 1 1 system" includes equipment for connecting and outswitching 9 1 1 calls within a telephone central office, trunking facilities from the central office to a public safety answering point, and equipment, as appropriate, that is used for transferring the call to another point, when appropriate, and that is capable of providing basic 9 1 1 service.~~

~~(5)~~(1) "Commercial mobile radio service" means:

(a) a mobile service that is:

(i) provided for profit with the intent of receiving compensation or monetary gain;

(ii) an interconnected service; and

(iii) available to the public or to classes of eligible users so as to be effectively available to a substantial portion of the public; or

(b) a mobile service that is the functional equivalent of a mobile service described in subsection ~~(5)(a)~~ (1)(a).

~~(6)(2)~~ "Department" means the department of administration provided for in Title 2, chapter 15, part 10.

~~(7)~~ "Direct dispatch" means a 9 1 1 service in which a public safety answering point, upon receipt of a telephone request for emergency services, provides for a decision as to the proper action to be taken and for dispatch of appropriate emergency service units.

~~(8)~~ "Emergency" means an event that requires dispatch of a public or private safety agency.

(3) "Emergency communications" means the transmission of voice, video, or electronic data involving the safety of human life and protection of property from one device to another.

~~(9)(4)~~ "Emergency services" means services provided by a public or private safety agency, including law enforcement, firefighting, ambulance or medical services, and civil defense services.

~~(10)~~ "Enhanced 9 1 1 account" means the 9 1 1 emergency telecommunications account established in 10 4 301(1)(b).

~~(11)~~ "Enhanced 9 1 1 service" means telephone service that meets the requirements for basic 9 1 1 service and that consists of selective routing with the capability of automatic number identification and automatic location identification at a public safety answering point enabling users of the public telecommunications system to request emergency services by dialing the digits 9 1 1.

~~(12) "Enhanced 9 1 1 system" includes customer premises equipment that is directly related to the operation of an enhanced 9 1 1 system, including but not limited to automatic number identification or automatic location identification controllers and display units, printers, and software associated with call detail recording, and that is capable of providing enhanced 9 1 1 service.~~

~~(13)~~ (5) "Exchange access services" means:

(a) telephone exchange access lines or channels that provide local access from the premises of a subscriber in this state to the local telecommunications network to effect the transfer of information; and

(b) unless a separate tariff rate is charged for the exchange access lines or channels, any facility or service provided in connection with the services described in subsection ~~(13)~~ (a) (5) (a).

~~(14) A "9 1 1 jurisdiction" means a group of public or private safety agencies who operate within or are affected by one or more common central office boundaries and who have agreed in writing to jointly plan a 9 1 1 emergency telephone system.~~

(6) "Local government" has the meaning as defined in 7-11-1002.

(7) "Next generation 9-1-1" means a system comprised of hardware, software, data, and operational policies and procedures that provides standardized interfaces from call and message services, processes all types of emergency calls, including non-voice or multi-media messages, acquires and integrates additional

data useful to call routing and handling, delivers the calls, messages, or both, and data to the appropriate public safety answering point and other appropriate emergency entities, supports data and communications needs for coordinated incident response and management, and provides a secure environment for emergency communications.

~~(15)(8)~~ "Per capita basis" means a calculation made to allocate a monetary amount for each person residing within the jurisdictional boundary of a county according to the most recent decennial census or population estimate compiled by the United States bureau of the census.

~~(16)~~ "Phase I wireless enhanced 9 1 1" means a 9 1 1 system that automatically delivers number information to the public safety answering point for wireless calls.

~~(17)~~ "Phase II wireless enhanced 9 1 1" means a 9 1 1 system that automatically delivers number information and location information to the public safety answering point for wireless calls.

~~(18)~~ "Place of primary use" means the primary business or residential street address location at which an end use customer's use of the commercial mobile radio service primarily occurs.

~~(19)(9)~~ "Private safety agency" means any entity, except a public safety agency, providing emergency fire, ambulance, or medical services.

~~(20)~~(10) "Provider" means a public utility, a cooperative telephone company, or any other entity that provides ~~telephone exchange~~ telecommunications access services.

~~(21)~~(11) "Public safety agency" means ~~the state and any city, county, city county consolidated government, municipal corporation, chartered organization, public district, or public authority located in whole or in part within this state that provides or has authority to provide emergency services~~ a functional division of a local government or the state that dispatches or provides law enforcement, firefighting, emergency medical services, or other emergency services.

~~(22)~~(12) "Public safety answering point" means a communications facility operated on a 24-hour basis that first receives ~~9-1-1 calls~~ emergency communications from persons ~~in a 9-1-1 service area~~ requesting emergency services and that may, as appropriate, directly dispatch ~~public or private safety~~ emergency services or transfer or relay ~~9-1-1 calls~~ the emergency communications to appropriate public safety agencies.

~~(23)~~(13) "Relay" means a 9-1-1 service in which a public safety answering point, upon receipt of a telephone request for emergency services, notes the pertinent information from the caller and relays the information to the appropriate public safety agency, other agencies, or other providers of emergency services for dispatch of an emergency unit.

~~(24)~~(14) "Subscriber" means an end user who receives telephone exchange access services or who contracts with a wireless provider for commercial mobile radio services.

(15) "9-1-1 systems" means any telecommunications facilities, circuits, equipment, device, software, and associated contracted services for the transmission of emergency communications. 9-1-1 systems include the transmission of emergency communications from persons requesting emergency services to a primary public safety answering point and communications systems for the direct dispatch, relay, transfer of emergency communications and the transmission of emergency communications to and from a public safety answering point to and from emergency service units.

~~(25)~~ (16) "Transfer" means a ~~9-1-1~~ service in which a public safety answering point, upon receipt of a telephone request for emergency services, directly transfers the request to an appropriate public safety agency or other ~~provider of emergency services provider.~~

~~(26) "Wireless enhanced 9 1 1" means either phase I wireless enhanced 9 1 1 or phase II wireless enhanced 9 1 1.~~

~~(27) "Wireless enhanced 9 1 1 account" means the wireless enhanced 9 1 1 account established in 10-4-301.~~

~~(28)~~ (17) "Wireless provider" means an entity, as defined in 35-1-113, that is authorized by the federal communications commission to provide facilities-based commercial mobile radio service within this state."

Section 14. Section 10-4-103, MCA, is amended to read:

"10-4-103. Emergency telephone system requirements. (1)

Every public and private safety agency in this state may establish or participate in a ~~basic or enhanced~~ 9-1-1 system.

(2) A ~~basic~~ 9-1-1 system must include:

(a) a 24-hour communications facility automatically accessible anywhere in the ~~9-1-1 jurisdiction's~~ public safety answering point's service area by dialing 9-1-1;

(b) direct dispatch of public and private safety services in the ~~9-1-1 jurisdiction~~ public service answering point's service area or relay or transfer of 9-1-1 ~~calls~~ communications to an appropriate public or private safety agency; and

(c) a 24-hour communications facility equipped with at least two trunk-hunting local access circuits provided by the local telephone company's central office.

(3) ~~An enhanced~~ A 9-1-1 system must include, in addition to the requirements ~~for a basic 9-1-1 system~~ of subsection (2):

(a) automatic number identification that automatically identifies and displays the calling telephone number at the public safety answering point; and

(b) automatic location identification that automatically identifies and displays the address of the calling telephone or device at the public safety answering point.

(4) The primary emergency telephone number within the state is 9-1-1, but a public safety answering point shall maintain both a separate seven-digit secondary emergency number for use by the telephone company operator and a separate seven-digit nonemergency number."
