Executive branch IT spending per Executive branch employee	\$ 7,056	\$ 6,194	\$ 15,087	\$ 6,823	\$ 11,836
state FTE per 1000 capita	12.7	10.7	12.3	11.1	10.5

**Notes**

1. Maine and New Hampshire's public safety radio (land mobile radio) infrastructure and maintenance is included in the budget for their central IT organizations. South Dakota and North Dakota have the public safety radio operations outside of their central IT organizations.
