Additional Notes

SPI – Schedule Performance Index

- $SPI = \text{Earned Value} / \text{Planned Value}$

CPI – Cost Performance Index

- CPI – $\text{Earned Value} / \text{Actual Cost}$
- Discussion: Does the current CPI Ranges on the LFC Project Health Indicator standards need to be adjusted?
- Current CPI standards:
 - Cost Performance Index (CPI):
 - a. Green = > 0.95
 - b. Yellow = $0.85 - 0.94$
 - c. Red = < 0.84
