Revised Enterprise Information Technology Workgroup (EITFW) Mission and Goals						
Name	**Mission**	**Goal 1**	**Goal 2**	**Goal 3**	**Goal 4**	**Goal 5**
Revised	EITFW is a multi-agency advisory forum that will provide input on decisions impacting IT service offerings; including rate setting, utilization, and cost recovery.	Review and advise on IT services and their corresponding rates based on need, projected utilization, and estimate of full costs to provide service.	Review and advise on policies and procedures for the cost recovery of centralized IT services provided by SITSD.	Review and advise on guidelines for consistent recording of IT expenses using the IT account codes established in MOM Policy 316.	Collaborate with OBPP to maintain a framework for reporting statewide IT expenditures in Volume 10 of the Governor's Executive Budget.	Provides a forum for collaboration between SITSD and agencies to improve billing efficiency and transparency.
Current	EITFW is a multi-agency governance forum that will provide input on decisions impacting IT service offerings; including rate setting, utilization, and cost recovery.	Review and approve IT services and their corresponding rates based on need and projected utilization.	Establish a policy and procedure for the cost recovery of centralized IT services provided by SITSD.	Establish guidelines for consistent recording of IT expenses using the IT account codes established in MOM Policy 316.	Collaborate with OBPP to create a framework for reporting statewide IT expenditures in Volume 10 of the Governor's Executive Budget.
